

Release notes: Doubleknot 20.11

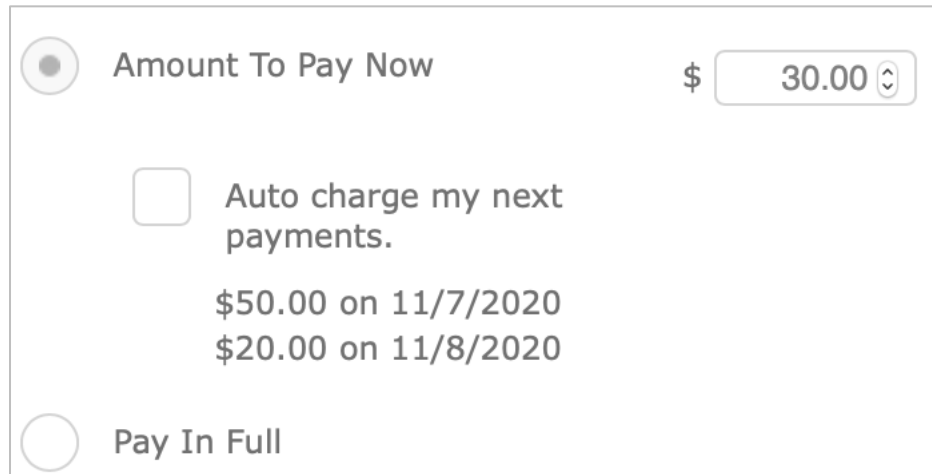

November 9, 2020

Highlights

This release includes the ability to accept ACH payments (eCheck) on Stripe and allows purchasers to enter a custom payment amount for registrations that have payment schedules.

Improved Features

- If your organization uses Stripe, purchasers can now pay with eCheck
 - Support for credit card processing on Stripe was added last summer, and eCheck is now also available
- Allow custom payment amount for registrations that have a payment schedule
 - The custom amount must be between the Amount To Pay Now (the minimum initial payment) and the Pay In Full amount.

Amount To Pay Now \$ 30.00

Auto charge my next payments.

\$50.00 on 11/7/2020
\$20.00 on 11/8/2020

Pay In Full

- Your organization can choose One Time or Monthly as the default option for donations
- In Cart Configuration, your organization can set a maximum amount that can be processed as online payment

This store has a minimum purchase of \$1.00 and a maximum purchase of \$99,999.00. Please update your Shopping Cart so that the amount of your purchase is within that range.

- The COVID-related Refund to Gift Card banner on administrator refund pages has been removed
- Added tribute information to donation reports

Fixes

- When too many images were uploaded via the rich text editor, not all images were shown. This issue is fixed.
- If a shift is ended or a day is closed more than once, the expected values could be erased. This issue is fixed.
- In some circumstances, a station could not be changed in Sales Station. This issue is fixed.

- Some images uploaded in the new Newsletter builder are not displayed in Gmail. This issue is fixed.
- In some locations, the DK Links feature in the rich text editor did not work. This issue is fixed.
- Because the US Postal Service no longer supports free label printing, the option is removed from order detail page.
